

LOST MY JOB, LOST ALL HOPE,

But Pepsinol brought all back to me in a hurry

"Those flowers always remind me of the most bitter experience in my life," said John Homeman, as he stooped over a garden bed and picked a few of the bright blooms. "They were growing in the same bed the night I came home to my wife and told her I was down and out."

"I had had stomach trouble for some time. Everything irritated me, even little trifles which I would never have noticed if I had been normal. My stomach was upset, my nerves irritable and my whole system run down. Instead of being aggressive in going after business, I had let a number of good things get away to our competitors."

"My employer stood it for a while because of my good work in the past but finally his patience was exhausted. He reprimanded me severely. I replied angrily—my nerves were ragged, and then I was discharged."

"I left the place feeling I had lost all hope. When I told my wife she told me to take Pepsinol. I got a bottle. It was wonderful what a change it made in me."

"Pepsinol acted gently on my system and restored my strength."

"My old 'pep' returned. Then I went to my former employer, admitted my errors and asked for my old position. I got it."

Genuine Pepsinol is made only by The Peplax Medicine Co., Memphis, Tenn., and is in strict accordance with the Medical Standards of the United States Pharmacopoeia.

Bad Cough and Couldn't Sleep

Two Bottles of Nu Vim Iron Tonic Made Her Well

Sympathy goes out to working women who are in poor health. The strain of keeping up appearances and energy proven too much for many. They need a tonic that will be more than a stimulant. It should set the stomach in proper order, so that they may get the full value from the food they eat.

Helen J. Lauer, 1714 Jackson St., Philadelphia, Pa., got remarkable results from Nu Vim. She says: "I felt my working time was getting very short. I was so worn out and tired all the time and had such a bad cough, with sleepless nights, and a bad stomach aggravated my troubles. Only two bottles of Nu Vim ended all of that. The cough left me, my stomach no longer troubled me, and I am again a well woman. People who suffer should gain hope from the story of such people as Miss Lauer. It isn't the folks who are sick in bed who are always the most uncomfortable. Often it is those who must drag themselves through the daily duties. If they only knew what Nu Vim, the great Iron Tonic, would do for them, they would take a new interest in life. Get a bottle of it today and find out for yourself. On sale at Warnock Company's drug stores, Gayoso Hotel and Bellevue and Linden, and all druggists. If your druggist hasn't it, send \$1 and cents revenue to the Nu Vim Drug Co., Columbus, Ohio, and they will send you postpaid one bottle of Nu Vim. adv

The Quick Way to Stop a Cough
This home-made syrup does the work in a hurry. Easily prepared, and saves about \$2.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Four 2½ ounces of Pinex in a pint bottle; then fill it up with plain granulated sugar syrup. Or use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and soothe the inflamed pharynx, and soon your cough stops entirely. Splendid for bronchitis, cough, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes.

To avoid disappointment, ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind. adv

MISSISSIPPI HAS GOOD CROP REPORT

Corn Only Shows Falling Off. Sweet Potato Yield Will Be Unusually Heavy.

JACKSON, Miss., Oct. 14. (Sp.)—Mississippi's corn crop this year will total 27,189,000 bushels, according to the estimate of J. A. Ramey, field agent of the bureau of crop estimates, department of agriculture.

The condition of the crop on Oct. 1 was only 67 per cent, according to Mr. Ramey's estimate. The total acreage planted was 3,731,000 acres, of which about 5 per cent was abandoned or not replanted in the early spring, owing to adverse weather and labor shortage.

The state's corn crop in 1941 was 300,000 bushels, and in 1937 27,613,000. The heaviest shortage in the corn yield this year is in the northern part of the state where the crop is only 50 per cent of normal.

The state's potato crop in the state this year is exceptionally good, and a yield of 5,253,000 bushels, against 4,455,000 bushels in 1941, and 5,125,000 bushels in 1937, is forecasted. Recent rains have imparted new vitality to this crop, and late frost will materially increase the yield. The sweet potato acreage is 97,500 acres, an increase of 10 per cent over last year.

A bumper hay crop has been grown, and the harvesting was very heavy in August and September. Some hay that was downy was ruined by recent rains. The lespedeza crop promises to be exceptionally good. Velvet beans are fruiting unusually heavy. Sugar cane has made a remarkable growth, and will give an excellent syrup yield. The peanut crop, while small in acreage, will yield bountifully. Farmers continue to complain of the labor shortage, and are now putting forth their best efforts to get the short cotton crop out of the field. The cotton yield is so short that practically all the picking will be finished by the first week in November, even if there is not an early frost.

200 MORE TRUCKS ARE TO GO TO MISSISSIPPI

YAZOO CITY, Miss., Oct. 14. (Sp.)—Because of the excellent work on highways in the state, J. M. McKeith, chairman of the state highway commission, has received word that the secretary of war has full power to be used for the state highway departments to be used in road construction, and that acting on this opinion the secretary will begin at once a distribution which will allot to Mississippi about 200 additional trucks.

Mr. McKeith has also been notified that 20 portable forges will be assigned to the state to be used in the repairing of roads where the most work is being done on the state roads. These forges, too, are to be allotted to the counties applying for them.

DEWS OF EVE No More Gentle Than "Cascarets" for the Liver, Bowels

It is just needless and it is dangerous to take violent or nasty cathartics. Nature provides no check-absorbers for your liver and bowels against calomel, harsh pills, sickening oil and salts. "Cascarets" give quick relief without injury from constipation. Bilelessness, indigestion, gas and sick headache. "Cascarets" work while you sleep, removing the toxins, poisons and sour, indigestible waste without gripping or inconvenience. "Cascarets" regulate by strengthening the bowels muscles. They cost so little too.

BROTHERS FIGHT FATAL DUEL OVER DEAD HOG

COLUMBUS, Miss., Oct. 14. (Sp.)—One man is dead and two are wounded as a result of a shooting by members of the Bourn family in the Goose neighborhood of Marion county. Bennett Bourn was killed and his 16-year-old son, Hollis, dangerously wounded in a double duel with the dead man's two brothers, James and John Bourn, the latter receiving eight gunshot wounds in his head. The shooting was over the killing of a hog on the dead man's farm. The tragedy occurred at the home of John Bourn, who, according to county officers, was found upon while standing in the doorway amidst his children in which were the father, a brother and a negro who had been beaten for killing the hog which had strayed on the Bennett Bourn farm.

James Bourn, the younger brother of the trio, who is a constable, joined in the fight with his pistol on the side of the dead man's justice. The police, Hollis Bourn, officers say, used a shotgun and his father a pistol. In the family battle Bennett Bourn was shot down in the automobile and his son abandoned the fight and drove to a hospital here. The father died Monday night without regaining consciousness.

James Bourn, who owned the hog and was accused of beating the negro, and whose shot, officers say, they believe killed his brother, and John Bourn, slightly wounded, were taken into custody by the sheriff today.

OLDER BOYS' CONFERENCE CLOSES AT GREENWOOD

GREENWOOD, Miss., Oct. 14. (Sp.)—Sunday morning marked the closing of the seventh annual district Older Boys' conference, which had been in session in Greenwood for three days, and which was attended by 202 visitors from 21 counties in Mississippi. The session was a busy one.

The principal addresses were made by A. G. Caney, principal of the Tate school, and H. B. Dr. Ray delivered an address on the subject of "Class I-A." The afternoon session was addressed by Herbert L. Crates, of Jackson.

The mass athletics on the high school athletic field was one of the features of the conference. Over 100 boys entered five events each, and the entire meet was held in about one hour.

ROOSEVELT MEMORIAL DRIVE ON AT JACKSON

JACKSON, Miss., Oct. 14. (Sp.)—Organization for the Roosevelt memorial fund campaign, which takes place the week of October 20-27, is rapidly being completed. Contributions may be sent here to the Roosevelt memorial fund, Edwards house, and will be properly credited on county quotas. The allotment of Mississippi is \$20,000.

RUNNYMEDE PLANTATION SOLD FOR OVER MILLION

GREENWOOD, Miss., Oct. 14. (Sp.)—The largest real estate transaction of the year has been consummated in Greenwood by the sale of the Runnymede plantation, the estate of Senator J. Z. George, to Mrs. L. A. Mahoney Newburn, of P. B. Reese and G. A. Mahoney, of Itasca.

Runnymede plantation consists of approximately 4,000 acres, of which 2,000 acres are in fine state of cultivation. The sale was a walk-out proposition, the consideration being \$1,047,000, or a little over \$260 per acre.

JEFFERSON COUNTY TRIES SEVEN MURDER CASES

PINE BLUFF, Ark., Oct. 14. (Sp.)—The criminal docket of the Jefferson circuit court will be taken up Tuesday, Oct. 21, and the court will be kept busy until Nov. 19 with cases already set.

RAILROADS REPORTED VERY SHORT OF CARS

YAZOO CITY, Miss., Oct. 14. (Sp.)—According to reports among the employees of the Y. & M. V. railroad, the first of the Memphis division of that line was short 500 freight cars. While the condition is also reported as improved somewhat, since that time, the time for the moving of the Delta cotton crop, or such of it as will be put on the market, is now at hand, and consignees are being urged to make the best possible time in the unloading of the cars and the turning them back into service.

NEGRO GROWS CROP ON EIGHTH OF ACRE PLOT

YAZOO CITY, Miss., Oct. 14. (Sp.)—What one negro did with one-eighth acre of land in Madison county is being told in the neighboring city of Canton. The negro is Milton P. Powell, a letter carrier in that city, and the eighth of an acre he cultivated was but the yard to one of the houses he owns in that city.

From the eighth acre the negro realized a yield of 30 gallons of molasses, one-half bushel of Irish potatoes, about four bushels of sweet potatoes, six bushels of corn, two bushels of butter beans, and he has now growing about 125 worth of winter turnips and 35 worth of lettuce, with a second growth of cane which bids fair to make more molasses unless the frost catches it, in which event this new cane will be utilized for hog feed.
